

HOW TO DOWNLOAD CUSTOMIZED IMAGES

Start

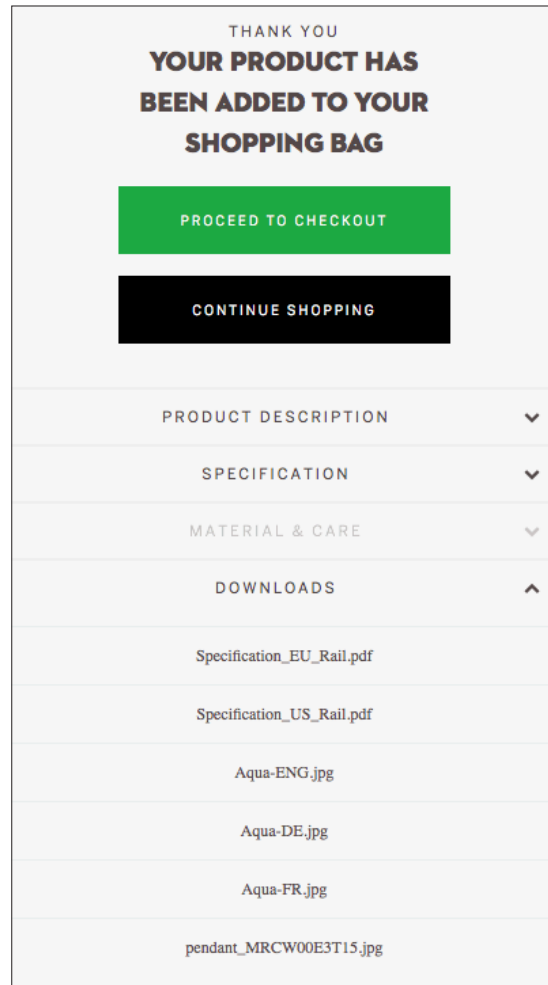

- 1 Go to <https://nudcollection.com/customizer>
- 2 Assemble the lamp holder, cord and light source of your selection
- 3 Click "ADD TO CART"

- 4 Open the Downloads menu
- 5 Click on the last file, named "pendant_" + article no

- 6 Your image will open up in a new window
- 7 Right click the image and Save Image As... to your computer

PLEASE NOTE: Here you can also download product specifications and energy labels for the lamp holder.

PLEASE NOTE: This tool automatically downloads the different parts of your selection and builds the image. Should any part have the wrong proportions click on "report image" and we'll fix it.
